HOW TO GET INVOLVED

Our Story

Dealing with the challenges of today requires problem-solvers who bring different perspectives and are willing to take risks. Big Hugs for Little Hearts emerged out of a pursuit to inspire and support the community, and a desire for actions to speak louder than words. Established in 2019, we're an organization driven by progressive ideas, bold actions, and a strong foundation of support.

Big Hugs for Little Hearts is a nonprofit created to help children from birth to age eighteen overcome abuse, abandonment, and neglect and achieve their dreams. We provide resources to help with legal needs, educational assistance, and medical costs.

The organization was founded in Charleston South Carolina by Kristin Leest a survivor of childhood trauma. Today she is working towards a goal of assisting children across the United States to achieve their dreams of education, and coping with their traumatic experience.
